

## **OMS Band Online Payments**

1. Please check your email (and spam folder) for Cut Time invitations. This is the program we use to keep track of your student's fundraising, financial obligations, chaperone payments and online processing.
2. Accept the invitation to create an account. Your account is linked to your child's account. Each email address given on the band form you filled out at the beginning of the year, will receive an invite. Each account requires their own username even though you are linked to your child. This enables us to apply chaperone payments directly to parents. I advise creating your child's account first, especially if you are not planning on being a chaperone. You can flip to your account from the relationship tab at the bottom.
3. If you can't link to your child's account through yours, it may be that your child has their own email and they have not created an account. In the future, we will only use adult addresses. For now, please ask your student to check their email. If you would like us to change their account to your email address and resend an invite, please send us a message at [omsbandboosters@gmail.com](mailto:omsbandboosters@gmail.com).
4. Once you have created a profile, you will be able to make payments easily through the program. There is a 3% processing fee for online payments.

We realize ALL birthdates are incorrect as this is a bug in the system. Once you've created a profile, you can change this if you wish.

Thank you for your patience during this years' system conversion!
